

You can even cut another slit to insert a picture, maybe a baby photo of yourself!

*What a great idea instead of a Birthday Card! Give Babybot away to a friend.

write your own message in the speech bubble

FIRE BOTS

KEY:
CUT SOLID LINES
SCORE & FOLD BASHED LINES

SPECIAL INSTRUCTIONS

1. Cut along all the solid lines (remember to cut ear, speech bubble and phone slits)
2. Fold all dashed lines.
3. Start with gluing one side of the head together and wait until dry, then complete.
4. Repeat step 3 on body.
5. Fold, glue and insert ears into slits.
6. Glue head to body.
7. Personalise your speech bubble and insert.
8. Start gluing phone receiver and handset together.
9. Insert phone handset when reciever is dry.
10. You're done, give it a cuddle!
